South Cove Manor Raises \$3 million for Capital Campaign

At our May 16 annual meeting and dinner, we announced the successful completion of our four-year \$3 million capital campaign. The campaign was an important part of the funding package for our \$33 million Quincy Point building project, and included gifts from individuals, businesses, and foundations throughout the Greater Boston area.

“We were incredibly gratified by the outpouring of generosity from all corners of the community,” said Richard Lui, South Cove Manor’s Board Chair. “Corporations, small businesses, foundations, our resident family members, our staff, our board, and many, many friends stepped up with gifts of all sizes.”
